Deputy Commissioner's Office

Dated 1st October

From

The Deputy Commissioner
Chitaldroog District

To

The Secretary to the Government of Mysore
Moozroi Department

Sir—

I have the honour to submit 2 Estimates, one for Rs 200/— being the probable cost of executing certain repairs to the temple of Sree-renganatha Swami at Komarna-halli in the Harihar Sub-Talooka the other for Rs 410 on account of repairs to the Government Anna chatram at the aforesaid place.

2. The temple of Ranganatha Swami is a Moozroi Institution enjoying certain Inam lands, the annual income from which about Rs 428. The annual expenses

under all heads is Rs 381. The building is very much out of repair. The front of it which collapsed ——— many years back has not since been restored. The temple is an important one to which pilgrims resort from several places both in and outside the Province. The inhabitants of Malé-beinnu and Komarmahalli villages have agreed to pay a sum of Rs 900 as contribution towards the cost of repairs. The balance at the credit of this moozroi institution is Rs 737-8-11, of which Rs 350 may be utilized towards the cost of restoration, the balance being retained for expenses during the year 1894. Deducting the said 2 sums, viz, Rs 1250, the net cost to the Government moozroi grant would be Rs 751-- . Considering the sacredness of the temple, I am of opinion that this amount would be money well spent if the building were properly repaired. The contribution offered is a very liberal one and I have ordered the same being

being recovered and lodged in the Treasury.

3. As regards the said Government Annacchatram, I beg to observe that the main building stands in need of certain slight repairs, while the kitchen has completely fallen down. This building is in the same premises as the said temple and is always in request by travellers as well as by frequenters of the temple. The amount at the credit of the Chatram under the head "Surplus Funds" is Rs 344-3-4 up to the end of August last, and deducting the said sum, the small balance of Rs: 65-13-4 will have to be sanctioned from the Moozroi Grant. The necessary Treasury Credit Certificates are hereto attached.

4. I may add that having yourself last year visited the said temple and Chutram, you are not unaware of the importance of both these institutions and of the dilapidated condition in to which

the

the buildings have fallen.

5 In these circumstances, I beg to recommend that early sanction be accorded to the 2 estimates above mentioned.

I have the honour to be
Sir.
Your most obedient Servant
